### **RESPOND TO THE FOLLOWING TOPICS:**

Please attach a typed response that addresses all three topics below, with your name at the top of the page. Your response should be one page or less.

1. **Tell us about yourself** – Share why you chose the automotive industry. What inspired you?
2. **How will this scholarship help you?** – Link the award to supporting your education, training, and future success in the industry.
3. **What are your career goals?** – Describe your short-term and long-term plans in the automotive repair, technology, or related fields.

### **LETTER OF RECOMMENDATION:**

Attach one letter of recommendation from a teacher, business owner or someone who can speak to your work-ethic, academic, and career goals. Please include contact information for who wrote the letter.

### **INTERVIEW TOPICS:**

Applicants selected as scholarship finalists will be invited to participate in a 10–20 minute interview. Please prepare to discuss and answer questions related to the following topics:

1. Why do you want to study Auto Mechanics Technology or Collision Repair Technology? Explain why you chose to attend Lewis-Clark State College, and describe your career goals for the future.
2. What do you know of Rogers Motors and their community involvement?

**Please return your completed scholarship application to the LCSC Foundation.**

*Incomplete applications will not be considered.*
